Nell'impianto manca gas. The gas inside the system is missing Falta de gás no sistema	Nell'impianto è presente la quantità di gas corretta. Correct quantity of gas inside the system Quantidade correta de gás no sistema	Nell'impianto è presente una quantità eccessiva di gas. Scaricare e recuperare. The system is overfilled with gas. Recover the excess quantity. Quantidade excessiva de gás no sistema. Recuperar a quantidade em excesso	Impianto con problemi indipendenti dalla carica di gas. The system has some problems independent of the gas charge. Sistema com problema independente da carga de gás.
